

ATCAA Early Head Start Teacher

Every child deserves a champion – an adult who will never give up on them, who understands the power of connection, and insists that they become the best that they can possibly be. Rita Pierson

Are you looking for a job where every day you help children be the best they can be? Do you want to work for an agency that believes in supporting staff to reach their full potential? ***If so, ATCAA Head Start could be the right place for you!***

ATCAA Head Start is a federally funded program for low-income families with children aged birth to 3 years and pregnant women. It is a comprehensive early childhood education program that enhances a child's cognitive, physical and, social-emotional growth and development. Our program fosters family engagement in all areas of a child's development and provides comprehensive resources to families in the areas of health, nutrition and community resources.

Early Head Start Teachers work year round with small groups of children. With your center's team, you will provide care for infants and toddlers, create lesson plans, and implement the education program in the classroom in accordance with policies, procedures, and philosophy of ATCAA Early Head Start.
