3. APPROVAL OF AGENDA: Approval of agenda for this date, any and all off-agenda items must be approved by the Board (pursuant to Government Code 54954.2)

Member Axe moved and Morgan seconded the Approval of the Agenda. MPU.

4. **PUBLIC MATTERS NOT ON THE AGENDA:** Discussion items only, no action to be taken. Any person may address the Board at this time upon any subject; however, any matter that requires action may be referred to Staff and/or Committee for a report and recommendation for possible action at a subsequent Board meeting. Please note there is a five (5) minute limit per topic.

Executive Director Joseph Bors asked the Internal Affairs Committee for assistance in creating a process to fill Board Vacancies. He also reminded that in the ATCAA Bylaws it says that the Ethics Training needs to be completed every two years. There is an in-person option in Tuolumne County in November. The Board Secretary will send those who will need to renew the information when she receives it. For those who are unable to make it in November, there is an online option.

5. **CONSENT AGENDA:** Items listed on the consent agenda are considered routine and may be enacted by one motion. Any item may be removed for discussion and made a part of the regular agenda at the request of a board member(s).

3.4 Hiring

(Board xx/xx/xx, PC – xx/xx/xx, Effective – xx/xx/xx)

3.4.1 Hiring Policy

ATCAA Hiring Policies and Procedures will adhere to the ATCAA Equal Employment Opportunity (EEO)/Affirmative Action (AA) Policy.

Current ATCAA employees and program participants, including ATCAA Head Start parents, are eligible and encouraged to apply for available ATCAA positions for which they are qualified.

3.4.2 Hiring Authority

The ATCAA Executive Director will be hired by the ATCAA Board (Board) in accordance with Board By-laws. **The ATCAA Head Start Director hire must also be approved by the ATCAA Board and the ATCAA Head Start Policy Council.**

The Board has delegated hiring authority on its behalf to the Executive Director for all other positions, including both open hires and limited term hires. The Executive Director may delegate that authority to the Deputy Director of Administration.

All hires must: 1) comply with all policies and procedures, 2) meet all program requirements, and 3) meet all Agency requirements for documentation and reporting, including documentation of acceptable reference checks. These requirements apply to all hires, including both open hires, limited term hires and substitute hires.

~~All applicants for ATCAA Early/Head Start positions, including those for limited term employment, must be approved by the Policy Council (PC) prior to hire, except in an emergency situation. An "emergency" exists only when an applicant must begin work prior to obtaining PC approval in order to maintain the necessary teacher student ratio. The ATCAA Executive Director has delegated authority to the ATCAA ECS Program Director to determine if an emergency need exists. An employee hired to fill an emergency need must be approved by the Executive Director within five (5) working days from the date of hire, and must be approved by the PC within no more than 30 days from the date of hire. A full background clearance check must still be obtained for any employee hired for any amount of time for Early/Head Start programs.~~

~~Applicants on an eligibility list and/or a substitute list must also be sent to the Head Start Policy Council for approval.~~

3.4.3 Recruitment and Selection

An "open hire process" will be used for recruitment and selection for all introductory and regular status positions. An open hire will have an established final filing date and will be advertised, and applicants screened/interviewed according to ATCAA Policies and Procedures.

An open hire will be advertised for a minimum of five (5) business days to ensure widespread announcement of the vacancy. The Program Director or designee, at his/her discretion, may extend the final filing date and re-advertise for any position if the Program Director or designee determines that the applications received do not reflect a sufficient pool of qualified applicants.

All applications for an open hire will be screened by a committee having a minimum of three (3) people. The Program Director or designee will make the final selection for interviews from the top applicants who either: 1) were mutually acceptable to the majority of the screening committee, or 2) whose qualifications and experience most closely match the requirement of the position. Screening may be eliminated when there is a limited pool of applicants and all candidates will be interviewed.

An interview committee will interview the applicants selected by screening. The interview committee will recommend to the Program Director the top candidate(s) for hire and for placement on an eligibility list. During the interview, the interview committee will ask all applicants the same interview questions and will not include questions regarding any of the protected State and Federal classes. The Program Director or designee may also include various types of tests appropriate to the position. If the interviews will take more than one (1) day to complete, the Program Director or designee will make every effort possible to ensure that the second interview committee includes the same panel members.

The Program Director or designee may re-interview the candidates recommended by the interview panel prior to submitting a final recommendation to the Executive Director. The second interview committee does not have to have the same panel of interviewers as in the first interview and may include only the Program Director or designee.

If an interview panel determines that none of the interviewed applicants are qualified, the Program Director may have the applicant pool screened again or may re-advertise for the position, at his/her discretion.

AMADOR-TUOLUMNE COMMUNITY ACTION AGENCY PERSONNEL POLICIES

DRAFT

Both screenings and interviews will include a minimum of three (3) individuals, including the position's supervisor or designee, a person with expertise in the job being filled, and a third person appointed by the Program Director or designee. Screenings and interviews do not have to be conducted by the same individuals.

For the ATCAA Early/Head Start Program, both screeners and interview committees will include one or two ATCAA Head Start parents/guardians of children currently enrolled in the Early/Head Start program. Scheduled interviews may proceed without Head Start parents/guardians only if the absent parent/guardian cancels without enough prior notice to inform all those attending of the cancellation, or fails to show up. In the case of an ATCAA Head Start position, if two applicants are equally qualified, priority will be given to any applicant who is or has been an ATCAA Head Start parent/guardian.

Reference checks are required for all hires, including eligibility lists, limited term hires, and substitutes prior to hire and prior to submitting a final recommendation for hire to the Executive Director.

The only exceptions to not using an open hire are:

- the placement is temporary relief
- the hire will eliminate the layoff of an existing employee who has gone through an open hire for an existing position similar in nature and with like minimum qualifications, job duties and responsibilities.

These exceptions are always subject to Executive Director approval.

3.4.4 Internal Open Hires

Internal open hire situations are opportunities for existing **introductory, regular, limited term, and substitute** employees to upgrade their current position after having met an educational requirement, training experience, etc. The Program Director or designee will send a notice to all qualified staff members within the same tier/job category as the new position which will list: 1) the description of job responsibilities; 2) the minimum qualifications of the position; and 3) the final filing date in which interested employees must submit their Letter of Interest. After the final filing date, the Program Director or designee will follow the same screening, interviewing and selection process listed above.

3.4.5 Eligibility Lists

An "eligibility list" of applicants not recommended for immediate hire but determined by the interview process as eligible for hire will remain valid for a period of one (1) year. Applicants can be hired from a valid eligibility list in lieu of an open hire if the position for which they applied becomes available. Upon

AMADOR-TUOLUMNE COMMUNITY ACTION AGENCY PERSONNEL POLICIES

DRAFT

approval by the Executive Director, applicants may be hired from a valid eligibility list in lieu of an open hire for another comparable position if the position is within the same intent and scope of the position for which they applied.

3.4.6 Hiring for Limited Term and Substitute Positions

Hiring for Limited term and substitute positions, including those for substitute, temporary relief and trainee employment, is exempt from the open hire process but must meet all other Agency requirements, ~~including approval by the Head Start Policy Council for those working in the Early/Head Start programs.~~

A Program Director may prefer to use an open hire process for limited term or substitute positions. A "substitute list" developed through an open hire process is equivalent to an eligibility list and can be used in lieu of open hiring if the position becomes available within one year.

3.4.7 Upgrades in Position Duties, Restructuring and Transfers

When the job duties and responsibilities are upgraded due to **meeting new educational requirements** or program restructuring, the person holding the position does not need to be rehired, but may be filled by the employee currently filling the position if the employee meets the minimum qualifications of the upgraded position. The upgrade of responsibility must be within the intent and scope of the position for which they were originally hired.

3.4.8 Conflict of Interest in Hiring

(Board – 04/12/13, PC – 05/03/13, Effective – 05/01/13)

No person will be hired for an ATCAA position over which an immediate family member exercises direct supervisory authority or directs the work of another immediate family member.

Immediate family members may not work under the same direct supervisor, or hold a position where they would work with a family member under the same direct supervisor.

No ATCAA or PC member, nor any immediate family member of an ATCAA Board or PC member, may be hired for any ATCAA position, except that a PC member may occasionally substitute in the ATCAA ECS/Head Start Program.

"Immediate Family Member" includes any of the following: spouse, domestic partner, sibling, child, parent, grandparent, grandchild, foster parent, step

AMADOR-TUOLUMNE COMMUNITY ACTION AGENCY PERSONNEL POLICIES

parent, sibling-in-law, child-in-law, parent-in-law, uncle, aunt, nephew, niece, step-sibling, and step-child.

Note: This policy is effective 05/01/13 and hiring and placement situations prior to this date are grandfathered in and this policy does not affect those current situations.

3.10 Performance Evaluation

(Board xx/xx/xx, PC – xx/xx/xx, Effective – pending)

None of the following employee or placement status definitions, work hour classifications, or FLSA status, will alter, diminish or negate ATCAA's At-Will employment policy.

General Information

The job performance of each Introductory and Regular status employee will be evaluated by the employee's Supervisor.

Performance evaluations are intended to provide a clear path to success for our employees. They will inform employees of their job performance and progress, communicate expected standards of performance, identify appropriate training needs and develop career plans, and establish future objectives and goals, as well as provide recognition of effective performance and identify areas which may need improvement or be of concern to the Supervisor. They provide an objective, consistent, and fair way to gauge each employee's on-the-job effectiveness.

All evaluations will be done on an approved evaluation form which may be obtained from the Personnel Department.

3.10.1 Evaluation Schedule

Introductory-Status Employees

- Supervisors are encouraged to perform an evaluation after three (3) months;
- Supervisors must provide an evaluation at six (6) months of continuous work time, and;
- Supervisors must provide an evaluation for employees after twelve (12) months of Introductory Status work time. The evaluation must include a recommendation to either 1) transition the employee to Regular Status, 2) extend the employee's Introductory Status through a Corrective Action Plan (CAP), or 3) terminate the employee's employment.

The End of Introductory period will establish a new anniversary date for subsequent, scheduled evaluations.

The end of an Introductory period and eligibility for a merit increase will be recalculated and extended for periods of leave not covered by PTO, including but not limited to FMLA/CFRA, WC leaves, summer lay-off, etc. **over 30 days**.

Regular Status Employees

Supervisors will perform evaluations **annually** of Regular status employees **on their established anniversary date**. ~~twelve (12) months after the effective date of the employee's most recent evaluation.~~ The evaluation must include a recommendation to either grant or deny a merit increase.

(X-Reference ATCAA's Merit Advancement/Increases Policy 4.12.3).

AMADOR-TUOLUMNE COMMUNITY ACTION AGENCY PERSONNEL POLICIES

DRAFT: 8-29-19

Annual evaluations and eligibility for a merit increase will be recalculated for any leaves of absence not covered by PTO, **including but not limited to FMLA/CFRA, WC leaves, etc. over 30 days.**

If a Supervisor is recommending ~~denial of a~~ no merit increase due to unsatisfactory job performance, the evaluation must include a Corrective Action Plan (CAP). If a Supervisor is recommending no merit increase due to budgetary reasons, no CAP is required.

Unsatisfactory Job Performance:

Supervisors recommending a Corrective Action Plan ("CAP") for unsatisfactory job performance must communicate directly with their Program Director prior to meeting with the employee and throughout the entire process. CAPs must identify **clear objectives/goals that are what is** required in order for the employee to meet the program's performance standards and end his/her CAP, and include a follow-up date when the Supervisor will re-evaluate the employee's performance. The follow-up date cannot exceed three (3) months. During the CAP, the Supervisor is required to provide frequent guidance and training to the employee (at least monthly) and document the guidance and training that was provided to the employee.

The length of the CAP will be adjusted for any periods of layoff, program closure or medical leaves of absence.

At the end of the CAP, any of the following may occur:

1. The employee has met the requirements under the CAP **and a merit increase may or may not be recommended**. The end of the CAP will establish a new anniversary date for subsequent, scheduled evaluations. The employee is reminded to continue with acceptable job performance. The written follow-up to the CAP and all supporting documentation will be filed in the employee's Personnel file.
2. The Program Director may recommend a maximum of one additional 3-month extension of the CAP by submitting a written memo and all supporting documentation to the Personnel Department. The memo must include the follow-up date for the 3-month extension. At the end of the extended CAP, refer to step #1.

In all instances above, the Supervisor should communicate with the employee that they are in the process of following up with their CAP and schedule a date and time with the employee to meet.

3. The Program Director may recommend a demotion in position by submitting a written memo and all supporting documentation to the Personnel Department. A demotion is when an employee is reassigned to a position with responsibilities and salary range that is lower than the responsibilities and salary range of the

AMADOR-TUOLUMNE COMMUNITY ACTION AGENCY PERSONNEL POLICIES

DRAFT: 8-29-19

former position due to the employee being unable to perform satisfactorily in the higher-level position. A demotion may only be recommended if there are other positions that are available/open of which the employee meets the minimum qualifications and the responsibilities are within the intent and scope of the position for which the employee was originally hired. The agency is not obligated in any way to grant demotions over termination of employment.

4. The Program Director recommends termination of employment. The Program Director will write a memo with the recommendation and submit all supporting documentation to the Personnel Department. The Personnel Department will work closely with the Program Director for a final recommendation of termination by the Executive Director.

3.10.2 Performance Evaluation Process

~~Within a month of~~ **The month before** the employee's scheduled performance review date, the Supervisor will ~~conduct~~ **complete** an evaluation of the employee's work ~~in writing on the current ATCAA evaluation forms.~~

A Supervisor may provide an evaluation earlier than the scheduled due date however, the effective date of the merit increase ~~remains as scheduled~~ **will be as outlined in ATCAA's Merit Advancement/Increases Policy 4.12.3.**

The Supervisor will discuss the evaluation with the employee and obtain the employee's signature confirming receipt of the evaluation. The employee's signature is mandatory, and indicates only that the employee has read and understands the completed evaluation. It is not indicative of the employee's agreement or disagreement with the statements contained in the evaluation itself. **The employee will have the opportunity to submit a written response to their evaluation prior to signing and submitting their evaluation.** ~~The employee is given a copy of the evaluation to take with him/her. The original will stay with the Supervisor.~~ **Evaluations will be available to employees and supervisors through ATCAA's on-line employee portal.**

The employee will have two working days to submit a written response to their evaluation. If a response is not received within that period, the evaluation will be processed without the employee's response.

Supervisors will forward the original evaluation to their Program Director, who will forward it to the ATCAA Personnel Department for Executive Director approval and necessary payroll processing. The original will then be placed in the employee's personnel file.

3.10.3 Evaluation Appeal

An employee may only appeal a performance evaluation for the following reasons:

1. If the evaluation results in denial or delay of an introductory employee's transition to regular status once minimum Introductory time for eligibility is completed,
2. The evaluation results in recommendation of denial or delay of a merit salary increase, or

AMADOR-TUOLUMNE COMMUNITY ACTION AGENCY PERSONNEL POLICIES

DRAFT: 8-29-19

3. A required performance evaluation is not completed in a timely manner resulting in delay of a merit increase that would have otherwise been recommended.

(See ATCAA's Grievance Policy 3.11)

3.10.4 Access Rights

Past employee performance evaluations will be accessible only to the employee, the employee's Supervisor, the Program Director, Executive Director, and authorized clerical staff. If the employee is appealing an evaluation through the grievance process, the performance evaluation and documents directly associated with the evaluation may be made available to the members of the ATCAA Board, the Early/Head Start Policy Council, and to any other person acting as counsel to ATCAA in the appeal at the time it is before them as a grievance.

3.10.5 Additional Performance Evaluations

Additional performance evaluations may be completed at any time at the discretion of the supervisor in order to provide additional guidance to an employee regarding performance standards and expectations, establish new goals and objectives, or provide additional feedback regarding employee's job effectiveness.

AMADOR-TUOLUMNE COMMUNITY ACTION AGENCY PERSONNEL POLICIES

DRAFT: 8-29-19

4.12 Pay Practices

(Board xx/xx/xx, PC – xx/xx/xx, Effective – pending)

4.12.1 Rates of Pay

All ATCAA positions are assigned a salary range comparable to that of other Agency positions with similar minimum requirements, job duties and responsibilities. The Executive Director has the authority to establish the salary range for new or upgraded positions. Rates of pay will follow the ranges and steps of the ATCAA Salary Schedule.

4.12.2 Step Appointments for Introductory Status ~~Employees~~ **New Positions**

~~An Introductory status employee~~ **New employees, or existing employees hired in a new position,** will normally be appointed at Step A of their position's assigned salary range. Depending on the ~~introductory status~~ **new** employee's previous qualified experience and at the discretion of the Executive Director, an appointment may be made up to Step F within the position's scheduled range.

4.12.3 Merit Advancement/Increases

Satisfactory job performance is the basis for secure employment but is not inherently a basis for a merit increase. Unsatisfactory job performance is a basis for a corrective action plan. Merit increases are contingent upon the following:

1. An increase in role and/or responsibility **within your current job description.**
Note: Additional roles and/or responsibilities beyond your current job description may warrant a job upgrade.
2. Demonstration of innovation and/or increase in productivity;
3. Additional training and/or education and/or skill-acquisition that enhances/improves job performance and/or enables an expansion of duties.
4. Once an employee reaches peak capacity of a job and maintains excellent work and reliability, they can be recommended for a merit increase when evaluated by providing evidence that previously attained benchmarks are being maintained.

A review completed by the employee's supervisor must provide evidence and justification supporting one or more areas listed above. The employee's Program Director must also approve the supervisor's request for a merit increase.

Final approval of all merit increases will be made by the ~~Executive~~ **Program** Director, **with the exception of merit increases for Program Directors, which will be approved by the Executive Director.** All requests for merit increases are subject to HR's review/approval of policy compliance.

~~It is important to note that in~~ Merit increases are **not** tied to ~~work~~ **the employee's established annual anniversary date** but are tied to reviews and the corresponding ~~dates of a review.~~ Supervisors are ~~expected~~ **required** to conduct reviews **on time and**

AMADOR-TUOLUMNE COMMUNITY ACTION AGENCY PERSONNEL POLICIES

DRAFT: 8-29-19

on an annual basis. ~~and this supervisorial responsibility will be a key component in the reviews of supervisors.~~ Supervisors will be evaluated during their annual evaluation regarding their adherence to this component.

All wage increases are contingent upon current funding AND projections of stable funding.

~~Merit increases will take effect only on the following dates:~~

~~January 1
April 1
July 1
October 1~~

~~When an evaluation is submitted and a merit increase approved, it will take into effect on the date listed above immediately following.~~

When an evaluation is submitted and a merit increase approved by the Program Director, merit increases will be effective the first of the month following the employee's established annual anniversary date. If submitted PRIOR to the employee's established annual anniversary date, the effective date of the merit increase will still be effective the first of the month following the employee's established annual anniversary date. LATE evaluations and requests for a merit increase will be effective the first of the month following the date the evaluation is submitted and a merit increase approved by the Program Director. However, the employee's established annual anniversary date does not change and will remain the same.

Merit advancements are limited to the steps contained in the ATCAA Salary Schedule and will be limited to one step per evaluation period, unless approved by HR and the Executive Director. Employees who have reached the last step in the Salary Schedule are no longer eligible for merit increases.

Merit increases denied due to budgetary reasons will affect all evaluations within that department during that time period. If budgetary constraints end within 12 months, past employees denied a merit increase due to budgetary reasons will be revisited in chronological order. The Program Director may request a merit increase at this time and it will be effective the 1st of the month following the request.

At no time will a retroactive merit increase be implemented.

Employees denied a merit increase due to unsatisfactory job performance will be placed on a Corrective Action Plan ("CAP") which will identify clear objectives and goals that are required in order for the employee to meet the program's performance standard and end/his/her CAP. (See ATCAA's Performance Evaluation Policy 3.10)

Employees denied a merit advancement and not provided an explanation for why they have not been recommended for merit advancement after meeting time eligibility may appeal by following the ATCAA personnel grievance policies and procedures.

AMADOR-TUOLUMNE COMMUNITY ACTION AGENCY PERSONNEL POLICIES

DRAFT: 8-29-19

Eligibility for a merit increase will be recalculated and extended for periods of leave not covered by PTO, including but not limited to FMLA/CFRA/WC leaves, ~~summer lay-off~~, etc. **over 30 days.**

4.12.4 Minimum Work Time

An Introductory status employee will be eligible for their first merit increase upon the ~~Executive~~ **Program** Director's approval of the end of the employee's introductory period and his or her appointment to Regular status.

A Regular status Year-round **or Partial-year** employee **working more than 6 months per year** will be eligible for merit advancement one (1) year after the effective date of his or her ~~last merit advancement~~ **established anniversary date**. A Regular status Partial-year employee working less than six (6) months per year will be eligible for merit advancement two (2) years after the effective date of his or her last merit advancement or after he/she has worked 12 months.

AMADOR-TUOLUMNE COMMUNITY ACTION AGENCY PERSONNEL POLICIES

DRAFT

5 Employee Benefits

5.2 Retirement Plan

(Board xx/xx/xx, PC – xx/xx/xx, Effective – xx/xx/xx)

As a public Agency, ATCAA provides a Defined Contribution Retirement Plan (“Plan”) to Regular & Introductory status employees in lieu of participation in either the state Public Employees Retirement System (PERS) or the Social Security portion of Federal FICA.

Employees become eligible for participation in the Plan upon eighteen (18) months of continuous Regular & Introductory status employment. Employees may enroll in the Plan the first pay period following eighteen (18) months of continuous employment. Employees must complete enrollment documents. If completed enrollment documents are not received, employee will continue to participate in the Social Security portion of Federal FICA. (Note: This policy is effective 07/01/17 and will apply only to new employees hired after the effective date. This policy does not affect hiring and placement situations prior to the effective date.)

~~Update to ATCAA's Retirement Plan effective 05/01/18:~~ Once an employee becomes eligible to participate in ATCAA Retirement plan as defined above, they may choose not to participate in the retirement plan and choose instead to continue to participate in the Social Security portion of Federal FICA. If the election form is not received, employee will continue to participate in the Social Security portion of Federal FICA.

Employees will be able to change their election every year during a retirement “open enrollment” ~~April 1 – April 30~~ **December 1 – December 31**, with the change taking into effect ~~May~~ **January** 1st. If we do not receive a change form during the open enrollment period, your elections will remain the same as the prior year.

The Plan is explained fully in the Summary Plan Description, a copy of which is provided to all participating employees.

The Plan is subject to change by the ATCAA Board.

All employees who are not eligible to participate in the Plan are subject to Social Security withholding. All employees, regardless of participation in the Plan, are subject to Medicare withholding.

The ATCAA Board approved the following documents for the 2020 Continuation Application
2019/2020 will be the fifth year of our five year grant. Each year we submit a continuation application which outlines our program design, our budget and our plans for continuous improvement. This grant application is due on October 1, 2020.

PROGRAM GOALS FOR APPROVAL

Revised June 2019

Program Goals, Measurable Objectives, and Status

Program Goal from last grant application	Achieve Full Staffing: Inadequate staffing caused by staff turnover and lack of qualified applicants
Measurable Objectives	All Centers have at least a Supervisor/LCT and 2 qualified Teachers, a Family Advocate and a Center Assistant.

STATUS: We started out with this in place but have not been able to keep fully staffed. We are continuing to explore ways to recruit and retain our staff.

Program Goal from last grant application	Improve average daily attendance at all centers
Measurable Objectives	The average daily attendance for all centers and home visits will be 90% or better. The average attendance for home visits will be 80% or better.*

STATUS: Head Start enrollment has improved but we have not achieved this goal for EHS or HS. We will continue to work on this goal. *Home visits are only once a week so an absence is weighted more heavily.

Program Goal from last grant application	Families will be presented with increased education about the importance of dental care Family interviews show that parents often feel that dental care for young children is not important. STATUS: Parents are reporting that they received dental education. Access to dental care is improving.
New Program Goals	<ul style="list-style-type: none"> • Ensure that 100% of children have a dental home • Provide education to parents about the importance of a dental home and full dental exams and not just screenings.
Measurable Objectives	<ul style="list-style-type: none"> • Head Start: Increase the number of children who receive follow up care from screenings from 95% to 100%. Early Head Start (starting at age one) Increase the number of follow ups from 67% (3 children) to 100% • 100% of children have a dental home and are seen by a dentist.

Program Goals for Review and Discussion Page 2

Program Goal from last grant application	Families will be offered information about the value of movement and music for their children's development Parents will learn that music and movement can help to develop children's self-regulation, physical dexterity and strength, phonological awareness and listening skills. At least three activities will be presented for families to try at home and supporting educational materials will be included.
New Program Goal	Increase the amount of music that is sent home and see if we can provide YouTube song playlists, KidsStation and other on-line resources to help parents with not only the words but the music.
Measurable Objectives	At the end of the program year, families will be surveyed to see if they changed their behavior as a result of this information. We will also be looking at child outcome data to see if the indicators related to these activities have improved.

STATUS: Parents are reporting that they received information on music and movement.

Below is data showing the child outcome data for 4 year olds for the last three program years where we have had this goal. The data is not showing significant change in all areas. Emphasizing school to home and providing resources is our strategy to help with this.

Program Goals for Review and Discussion Page 3

Program Goal from last grant application	Increase communication with receiving schools
Measurable Objectives	<ol style="list-style-type: none"> 1. We will present information on our program's data to School Boards and administration of the 7 school districts that oversee our receiving schools. 2. We will also work to create relationships with local charter schools by setting up meetings with charter school administrators. 3. We will set up a meeting with kindergarten teachers to learn more about how we can support successful transition from Head Start to Kindergarten.

STATUS: Presentations were made to School Boards. Amador Kids in Common started up again and HS staff met with Kindergarten teachers. No work has been done with Charter Schools.

New Program Goal	Teaching Children and Parents Social Emotional Skills
Measurable Objectives	<ol style="list-style-type: none"> 1. Children will increase their self-regulation skills as measured by the DRDP. 2. We will continue to train staff in Social Emotional Curriculum. By the end of the school year, we will have trained staff at three Head Start centers and two EHS centers. 3. We will continue to train coaches how to work with staff to implement social emotional curriculum. At the end of the school year, two coaches will be trained to do coaching on Social Emotional Curriculum.

<u>Family Self-Sufficiency:</u> Educational opportunities such as GED prep, ESL, Financial Literacy and others will be offered through our partnership with Columbia College and other educational institutions. We will offer information to families about community resources. We will also build families' skills and knowledge by offering volunteer opportunities that will give parents transferrable skills.	Increasing and stabilizing family income is related to improved child behaviors Building family financial assets can positively affect children's long-term outcomes.	Make sure staff are aware of opportunities for GED, ESL and other educational opportunities. Enrich and enhance volunteer opportunities for parents and provide training to go along with it. Examples are: Food Safety & Computer Skills Update: Provide videos about volunteering	Number of parents participating in classes Family Partnership Goals and Family Assessments Number of presentations Pre and Post focus group/survey data, Referrals Volunteers	Partnership with Columbia College provides GED and ESL classes and is expanding to include citizenship, financial literacy, and job skills. Community Presentations, offered monthly during the school year bring information about Community Resources to staff and families
<u>Family Well-being</u> – In order to promote safe and healthy families, parents will learn about their child, their role as parents, and ways to keep their families safe and healthy.	Families will be presented with increased education about the importance of dental care. The program will offer at least three dental education experiences to all parents in Early Head Start and Head Start.	Create/Distribute Nutrition Resources Work with Community Partners to provide more dental education	Pre and Post focus group and survey data Attendance at dental education experiences Follow up to dental screenings	Amador County Oral Health Coalition, First 5, Smile Keepers, Public Health, U.C. - * Stakeholder Agency Survey including a “greatest needs” question 2019 – 25 completed
- * Stakeholder Focus Group 2019 – 10 attendees
- * Focus groups 2019 – 2 focus groups - Amador and Tuolumne Counties
- Public Meeting–Tuolumne County 6/3/19 and Amador County 6/5/19

A few of the top Needs Identified

Mental, Behavioral, and Substance Abuse Services

- ⦿ No psychiatric facility or psychiatrist in the county
- ⦿ No sober living treatment house in county
- ⦿ High suicide rates in older and middle aged White males
- ⦿ No specialty care in the county

Quality Primary Care Services and Prescriptions and Dental

- ⦿ Large percent of residents in county are seniors and/or veterans indicating a higher need for medical care
- ⦿ Lack of medical providers in the area – especially lack of Medi-cal providers
- ⦿ One of the major Medi-cal plans for care under Affordable Care Act is not taken in the county by a single provider
- ⦿ No Denti-cal (Medi-cal) providers in the county

Transportation and Mobility

- ⦿ All veteran affairs benefits are outside of the county requiring long transportation times to acquire care
- ⦿ No specialty care in the county
- ⦿ Access to healthy foods for “Upcountry” communities is hard without transportation

Basic Needs

- ⦿ Lack of affordable housing
- ⦿ Lack of employment opportunities in the county
- ⦿ Homelessness in adults, especially veterans, and teens. Living “off the grid.”

Affordable, Healthy Food

- ⦿ Lower access to healthy food in the “Upcountry” areas of the county
- ⦿ Healthy food is more expensive
- ⦿ Challenging to grow own food due to wildlife issues – need fencing to keep out deer and other animals

AMADOR TUOLUMNE COMMUNITY ACTION AGENCY

PROCESS FOR FILLING BOARD OF DIRECTOR VACANCIES

ATCAA Board of Directors (BOD) vacancies occur when a Board member is removed for cause, resigns, a public official removes a permanent alternate, or a public official leaves office.

In the event of a vacancy, a Nominating Committee shall be formed by a subset of existing BOD members. The Nominating Committee should be no less than 5 members of the Board. The Nominating Committee shall perform the following processes to notify the community of a Board vacancy in the Private and Low Income sectors; and to select new Board members from any of the tripartite sectors. Additionally, the Nominating Committee may recruit candidates, subject to the following process.

Public Sector Representation

The Board of Supervisors of Amador and Tuolumne Counties, being the designating officials, shall select the elected public officials from their County to serve on the Board. The two Supervisors from each County who sit on the Joint Powers Governing Board will also sit on the ATCAA Board, and each County Board of Supervisors will select the third member to represent elected officials, who will be an elected official of a city, municipality, or their representative.

Public officials or their representatives must have general governmental responsibilities that require them to deal with poverty related issues.

If a Public Sector representative vacancy occurs, the remaining representatives from either Amador or Tuolumne Counties shall select a replacement public official to fill the vacancy.

Community Notification of a Board of Directors Vacancy

When a vacancy of either a Private or Low-Income representative seat exists on the BOD, the Board Chair, or designee shall notify the ATCAA Communications Manager of the vacancy. The Communications Manager will then post a vacancy notification message to inform the community using one or more of ATCAA's communication media (website, Facebook, Instagram, etc.). The message to the community will include a description of the application process for persons interested in applying to fill the BOD vacancy.

Private Sector Representation

The Private Sector BOD representation shall be filled by officials or members of business, industry, labor, religion, or other major groups and interests in the communities by submitting a letter of interest to the ATCAA Board Secretary at the ATCAA Service Center in Amador County addressing the below criteria.

1. Priority will be given to organization/businesses demonstrating a commitment to advancing the purposes and activities of the Board.
2. Priority will be given to organizations/businesses representing diverse views or a wide scope of labor, business or social service interests.
3. No private sector organization/businesses will be allowed to have more than one (1) Board seat, in order to assure a balanced representation.
4. Priority will be given to finding social service, business or labor organizations/businesses whose constituency is not represented on the Board.

AMADOR TUOLUMNE COMMUNITY ACTION AGENCY
PROCESS FOR FILLING BOARD OF DIRECTOR VACANCIES

Low-Income Representation

Representatives of the low-income sector will be selected in a democratic selection procedure to assure that these members are representative of the low-income neighborhood served; reside in the neighborhood served; and are able to participate actively in the development, planning, implementation, and evaluation of ATCAA programs.

Low-Income Representative Sector applicants must have either;

1. low-incomes or fixed incomes and meet the Community Services Block Grant (CSBG) income guidelines, or
2. must represent low-income people in their county of residence, or
3. represent a particular low-income neighborhood in the county of residence.

Representatives may be local community members that work or volunteer and interact with low-income and/or work or volunteer on behalf of programs for low-income.

Interested parties must send a letter to the ATCAA Service Center in Amador County Attn: Secretary to the Board. The letter needs to include the following criteria:

1. Address of physical residence of applicant
2. Brief statement about why applicant would like to serve on the ATCAA Board
3. Confirm ability to attend meetings per the Board Position Description
4. If applicant is low-income, self-certify that they meet the guidelines (guidelines available from the Board Secretary)
5. If applicant is not low-income, they must indicate the way(s) in which he/she is qualified to represent the low-income sector by listing their experience in representing the local low-income community (or a particular neighborhood within the county), including any volunteer and/or employment working for and with local programs for the low-income sector.

Upon receiving letters of interest for Private and Low Income sector representation, the Secretary to the Board will submit letters of interest to the Nominating Committee for review. The Nominating Committee will then present a slate of candidates to the Board and the Board will take action to accept or not accept the application(s) based on the above criteria. The Board may choose to interview the candidate prior to its decision. If more applicants apply than there are open seats, the candidate who most closely meets all of the criteria will be selected.

A majority of a quorum of seated Board members shall approve or reject for any lawful reason, the selection of low-income and/or private sector representatives and their alternates.

If no letters of interest are received from either the Private or Low-Income sectors, within 30 days of the public notification, the Board Secretary will notify all Board members and request additional or extended public notifications and recruitment by BOD representatives. This effort will continue until the minimum number (15) of BOD representatives is met, and the minimum percentage (33%) of Low-Income BOD members is met.

3.4 Hiring

(Board xx/xx/xx, PC – xx/xx/xx, Effective – xx/xx/xx)

3.4.1 Hiring Policy

ATCAA Hiring Policies and Procedures will adhere to the ATCAA Equal Employment Opportunity (EEO)/Affirmative Action (AA) Policy.

Current ATCAA employees and program participants, including ATCAA Head Start parents, are eligible and encouraged to apply for available ATCAA positions for which they are qualified.

3.4.2 Hiring Authority

The ATCAA Executive Director will be hired by the ATCAA Board (Board) in accordance with Board By-laws **and this document**.

The ATCAA Head Start Director hire must also be approved by the ATCAA Board and the ATCAA Head Start Policy Council.

For all other hires, the Board has delegated hiring authority on its behalf to the Executive Director for all other positions, including both open hires and limited term hires. The Executive Director may delegate that authority to the ~~Deputy Director of Administration~~ **Fiscal Officer**.

All hires must: 1) comply with all policies and procedures, 2) meet all program requirements, and 3) meet all Agency requirements for documentation and reporting, including documentation of acceptable reference checks. These requirements apply to all hires, including both open hires, limited term hires and substitute hires.

All applicants for ATCAA Early/Head Start positions, including those for limited term employment, must be approved by the Policy Council (PC) prior to hire, except in an emergency situation. An “emergency” exists only when an applicant must begin work prior to obtaining PC approval in order to maintain the necessary teacher-student ratio. The ATCAA Executive Director has delegated authority to the ATCAA ECS Program Director to determine if an emergency need exists. An employee hired to fill an emergency need must be approved by the Executive Director within five (5) working days from the date of hire, and must be approved by the PC within no more than 30 days from the date of hire. A full background clearance check must still be obtained for any employee hired for any amount of time for Early/Head Start programs.

AMADOR-TUOLUMNE COMMUNITY ACTION AGENCY PERSONNEL POLICIES DRAFT

Applicants on an eligibility list and/or a substitute list must also be sent to the Head Start Policy Council for approval.

The ATCAA Board Chair or Internal Affairs (IA) Committee designee will be responsible for the open hire of the Executive Director position. For all other hires, the responsible party will be the Program Director or designee. For purposes of this policy, the responsible party for the open hire process will be referred to as "designee".

3.4.3 Recruitment and Selection

An "open hire process" will be used for recruitment and selection for all introductory and regular status positions, as well as for the selection of an individual for the Executive Director position. An open hire will have an established final filing date and will be advertised, and applicants screened/interviewed according to ATCAA Policies and Procedures, with the following additional procedures and clarifications:

Because the ED position is so important to continuity of the agency, special attention and timeliness of the recruitment and selection process is imperative. The Board of Directors, Internal Affairs (IA) committee and Human Resources should strive to complete the two stage interview process within 1 month of the open hire filing closure date, with a Board decision meeting immediately following the second interview.

An open hire will be advertised for a minimum of five (5) business days, and 10 days for the ED position, to ensure widespread announcement of the vacancy. In addition to a job description, the advertisement must include a final filling date and a salary range. The ~~Program Director~~ or designee, at his/her discretion, may extend the final filing date and re-advertise for any position if the ~~Program Director~~ or designee determines that the applications received do not reflect a sufficient pool of qualified applicants.

Screening and Interviews - All applications for an open hire will be screened by a committee having a minimum of three (3) people. The ~~Program Director~~ or designee will make the final selection for interviews from the top applicants who either: 1) were mutually acceptable to the majority of the screening committee, or 2) whose qualifications and experience most closely match the requirement of the position. Screening may be eliminated when there is a limited pool of applicants and all candidates will be interviewed.

AMADOR-TUOLUMNE COMMUNITY ACTION AGENCY PERSONNEL POLICIES DRAFT

An interview committee will interview the applicants selected by screening. The interview committee will recommend to the ~~Program Director~~ **designee** the top candidate(s) for hire and for placement on an eligibility list. During the interview, the interview committee will ask all applicants the same interview questions and will not include questions regarding any of the protected State and Federal classes. **Selected applicants for an open Executive Director position will go through a minimum of two interviews.** The ~~Program Director or~~ designee may also include various types of tests appropriate to the position. If the interviews will take more than one (1) day to complete, the ~~Program Director or~~ designee will make every effort possible to ensure that the second interview committee includes the same panel members.

The ~~Program Director or~~ designee may re-interview the candidates recommended by the interview panel prior to submitting a final recommendation to the Executive Director. The second interview committee does not have to have the same panel of interviewers as in the first interview and may include only the ~~Program Director or~~ designee.

If an interview panel determines that none of the interviewed applicants are qualified, the ~~Program Director~~ **designee** may have the applicant pool screened again or may re-advertise for the position, at his/her discretion.

Both screenings and interviews will include a minimum of three (3) individuals, including the position's supervisor or designee, a person with expertise in the job being filled, and a third person appointed by the ~~Program Director or~~ designee. **For an open Executive Director position, the screening and interview committee will be by an Internal Affairs committee having a minimum of three (3) people.** Screenings and interviews do not have to be conducted by the same individuals.

For the ATCAA Early/Head Start Program, both screeners and interview committees will include one or two ATCAA Head Start parents/guardians of children currently enrolled in the Early/Head Start program. Scheduled interviews may proceed without Head Start parents/guardians only if the absent parent/guardian cancels without enough prior notice to inform all those attending of the cancellation, or fails to show up. In the case of an ATCAA Head Start position, if two applicants are equally qualified, priority will be given to any applicant who is or has been an ATCAA Head Start parent/guardian.

Additional guidelines for an open Executive Director position - An Internal Affairs interview committee will interview the applicants selected by screening the screening committee. The IA interview committee will recommend to the Board of Directors the top candidate(s) for a second round of interviews. The second

**AMADOR-TUOLUMNE COMMUNITY ACTION AGENCY
PERSONNEL POLICIES
DRAFT**

round of interviews will include the entire Board. The Board will interview remaining candidates selected by the Internal Affairs interview committee.

A Human Resources member shall participate in each interview and during each interview, the interview committee or Board will ask all applicants the same interview questions and will not include questions regarding any of the protected State and Federal classes. The HR representative is not a voting member, but is present to facilitate proper questioning, consistent with ATCAA policies. The Board or IA designee may also include various types of tests appropriate to the position. If the interviews will take more than one (1) day to complete, the Board Chair or IA designee will make every effort possible to ensure that the second interview committee includes the same panel members.

The Board Chair or designee may re-interview candidates recommended by the Board interview panel prior to making a final recommendation, however, the Board interview panel may not re-interview candidates who were not chosen for the second round of interviews. The Board interview committee does not have to have the same panel of interviewers as in the first interview, but should strive to include as many participants as possible and does require a quorum of participants.

If two applicants are equally qualified, priority will be given to any applicant who is an ATCAA employee.

Reference checks - Reference checks are required for all hires, including eligibility lists, limited term hires, and substitutes prior to hire and prior to submitting a final recommendation for hire to the Executive Director or, for instances of an Executive Director position, the ATCAA Board.

Executive Director contract – Upon selection, the chosen candidate will enter into a written contract between the Board of Directors and the new ED. Terms of the contract shall include salary, paid time off accrual, performance reviews and other terms as deemed applicable. HR will maintain a copy of the contract and make it available as a template for future contracts

Exceptions to an open hire - The only exceptions to not using an open hire are:

- the placement is temporary relief
- the hire will eliminate the layoff of an existing employee who has gone through an open hire for an existing position similar in nature and with like minimum qualifications, job duties and responsibilities.

These exceptions are always subject to Executive Director approval.

AMADOR-TUOLUMNE COMMUNITY ACTION AGENCY PERSONNEL POLICIES DRAFT

3.4.4 Internal Open Hires

Internal open hire situations are opportunities for existing **introductory, regular, limited term, and substitute** employees to upgrade their current position after having met an educational requirement, training experience, etc. The ~~Program Director~~ or designee will send a notice to all qualified staff members within the same tier/job category as the new position which will list: 1) the description of job responsibilities; 2) the minimum qualifications of the position; and 3) the final filing date in which interested employees must submit their Letter of Interest. After the final filing date, the ~~Program Director~~ or designee will follow the same screening, interviewing and selection process listed above.

For an open Executive Director position - Internal applicants will be subject to a 360 degree internal review process. The Board Chair, IA or HR designee will send a review form to the candidate's supervisor, at least two peers and all direct reports. A review form may also be sent to candidate's customers or State representatives, as applicable.

3.4.5 Eligibility Lists

An "eligibility list" of applicants not recommended for immediate hire but determined by the interview process as eligible for hire will remain valid for a period of one (1) year. Applicants can be hired from a valid eligibility list in lieu of an open hire if the position for which they applied becomes available. Upon approval by the Executive Director, applicants may be hired from a valid eligibility list in lieu of an open hire for another comparable position if the position is within the same intent and scope of the position for which they applied.

For Executive Director Applicants - Upon approval by the ATCAA Board, ED applicants can be hired from a valid eligibility list in lieu of an open hire if the ED position for which they applied becomes available.

3.4.6 Hiring for Limited Term and Substitute Positions

Hiring for Limited term and substitute positions, including those for substitute, temporary relief and trainee employment, is exempt from the open hire process but must meet all other Agency requirements, ~~including approval by the Head Start Policy Council for those working in the Early/Head Start programs.~~

A ~~Program Director~~ **designee** may prefer to use an open hire process for limited term or substitute positions. A "substitute list" developed through an open hire process is equivalent to an eligibility list and can be used in lieu of open hiring if the position becomes available within one year.

3.4.7 Upgrades in Position Duties, Restructuring and Transfers

When the job duties and responsibilities are upgraded due to **meeting new educational requirements** or program restructuring, the person holding the position does not need to be rehired, but may be filled by the employee currently filling the position if the employee meets the minimum qualifications of the upgraded position. The upgrade of responsibility must be within the intent and scope of the position for which they were originally hired.

3.4.8 Conflict of Interest in Hiring

(Board – 04/12/13, PC – 05/03/13, Effective – 05/01/13)

No person will be hired for an ATCAA position over which an immediate family member exercises direct supervisory authority or directs the work of another immediate family member.

Immediate family members may not work under the same direct supervisor, or hold a position where they would work with a family member under the same direct supervisor.

No ATCAA or PC member, nor any immediate family member of an ATCAA Board or PC member, may be hired for any ATCAA position, except that a PC member may occasionally substitute in the ATCAA ECS/Head Start Program.

“Immediate Family Member” includes any of the following: spouse, domestic partner, sibling, child, parent, grandparent, grandchild, foster parent, step parent, sibling-in-law, child-in-law, parent-in-law, uncle, aunt, nephew, niece, step-sibling, and step-child.

Note: This policy is effective 05/01/13 and hiring and placement situations prior to this date are grandfathered in and this policy does not affect those current situations.

The format for Employee's performance evaluation is set forth as Exhibit A attached hereto and incorporated herein.

AMADOR TUOLUMNE COMMUNITY ACTION AGENCY

PROCESS FOR FILLING BOARD OF DIRECTOR VACANCIES

ATCAA Board of Directors (BOD) vacancies occur when a Board member is removed for cause, resigns, a public official removes a permanent alternate, or a public official leaves office.

In the event of a vacancy, a Nominating Committee shall be formed by a subset of existing BOD members. The Nominating Committee should be no less than 5 members of the Board. The Nominating Committee shall perform the following processes to notify the community of a Board vacancy in the Private and Low Income sectors; and to select new Board members from any of the tripartite sectors. Additionally, the Nominating Committee may recruit candidates, subject to the following process.

Public Sector Representation

The Board of Supervisors of Amador and Tuolumne Counties, being the designating officials, shall select the elected public officials from their County to serve on the Board. The two Supervisors from each County who sit on the Joint Powers Governing Board will also sit on the ATCAA Board, and each County Board of Supervisors will select the third member to represent elected officials, who will be an elected official of a city, municipality, or their representative.

Public officials or their representatives must have general governmental responsibilities that require them to deal with poverty related issues.

If a Public Sector representative vacancy occurs, the remaining representatives from either Amador or Tuolumne Counties shall select a replacement public official to fill the vacancy.

Community Notification of a Board of Directors Vacancy

When a vacancy of either a Private or Low-Income representative seat exists on the BOD, the Board Chair, or designee shall notify the ATCAA Communications Manager of the vacancy. The Communications Manager will then post a vacancy notification message to inform the community using one or more of ATCAA's communication media (website, Facebook, Instagram, etc.). The message to the community will include a description of the application process for persons interested in applying to fill the BOD vacancy.

Private Sector Representation

The Private Sector BOD representation shall be filled by officials or members of business, industry, labor, religion, or other major groups and interests in the communities by submitting a letter of interest to the ATCAA Board Secretary at the ATCAA Service Center in Amador County addressing the below criteria.

1. Priority will be given to organization/businesses demonstrating a commitment to advancing the purposes and activities of the Board.
2. Priority will be given to organizations/businesses representing diverse views or a wide scope of labor, business or social service interests.
3. No private sector organization/businesses will be allowed to have more than one (1) Board seat, in order to assure a balanced representation.
4. Priority will be given to finding social service, business or labor organizations/businesses whose constituency is not represented on the Board.

AMADOR TUOLUMNE COMMUNITY ACTION AGENCY
PROCESS FOR FILLING BOARD OF DIRECTOR VACANCIES

Low-Income Representation

Representatives of the low-income sector will be selected in a democratic selection procedure to assure that these members are representative of the low-income neighborhood served; reside in the neighborhood served; and are able to participate actively in the development, planning, implementation, and evaluation of ATCAA programs.

Low-Income Representative Sector applicants must have either;

1. low-incomes or fixed incomes and meet the Community Services Block Grant (CSBG) income guidelines, or
2. must represent low-income people in their county of residence, or
3. represent a particular low-income neighborhood in the county of residence.

Representatives may be local community members that work or volunteer and interact with low-income and/or work or volunteer on behalf of programs for low-income.

Interested parties must send a letter to the ATCAA Service Center in Amador County Attn: Secretary to the Board. The letter needs to include the following criteria:

1. Address of physical residence of applicant
2. Brief statement about why applicant would like to serve on the ATCAA Board
3. Confirm ability to attend meetings per the Board Position Description
4. If applicant is low-income, self-certify that they meet the guidelines (guidelines available from the Board Secretary)
5. If applicant is not low-income, they must indicate the way(s) in which he/she is qualified to represent the low-income sector by listing their experience in representing the local low-income community (or a particular neighborhood within the county), including any volunteer and/or employment working for and with local programs for the low-income sector.

Upon receiving letters of interest for Private and Low Income sector representation, the Secretary to the Board will submit letters of interest to the Nominating Committee for review. The Nominating Committee will then present a slate of candidates to the Board and the Board will take action to accept or not accept the application(s) based on the above criteria. The Board may choose to interview the candidate prior to its decision. If more applicants apply than there are open seats, the candidate who most closely meets all of the criteria will be selected.

A majority of a quorum of seated Board members shall approve or reject for any lawful reason, the selection of low-income and/or private sector representatives and their alternates.

If no letters of interest are received from either the Private or Low-Income sectors, within 30 days of the public notification, the Board Secretary will notify all Board members and request additional or extended public notifications and recruitment by BOD representatives. This effort will continue until the minimum number (15) of BOD representatives is met, and the minimum percentage (33%) of Low-Income BOD members is met.

ATCAA Fiscal Officer Narrative – September 2019 p1

Cash flow issues are less of a problem with the receipt of advance funds from LIHEAP. We continue to charging interest on internal cash borrowings, saving on admin interest expense while earning more interest on advanced HEAP program funds. While these funds are advanced, this will negate our need to use the current Umpqua line of credit.

The Targeted Case Management (TCM) audit appeals are still in process.

Housing – Denise Cloward Issue: timely contract receipt

Community Dev. Block Grant (CDBG): Tuolumne only – \$50k in shelter funds will be spent through 9/19.

New CDBG (\$75k over 2 yrs) in Housing Stabilization funds (not Shelter) have been approved, will be available by December at the latest.

Emergency Shelter Grants (ESG): \$200k Shelter contract (1318.1), homeless prevention and rapid rehousing funds are spent (1363.1, 1364.1) -contract expired 7/19

New contracts (1365.1 \$200K and 1366.1 \$64K) have been approved, and we have been given permission to expense starting 3/16/19, billing begins in September when contracts are received.

CalWorks – New Amador and Tuolumne contracts started in July with spending slow but steady. Calaveras has yet to refer clients.

Continuum of Care: ATCAA still administering, with more formalized governance going forward. CESH #1 (funding now) and HEAP funds (received a lump \$1.2 million, interest bearing) has hired a manager and data coordinator.

Varley Place: 1 vacant unit on 3rd floor, VASH funds are being received timely. At full occupancy, this project projects a net positive result.

CACFP: supplements shelter food costs – normally needs about \$1,000 monthly from operations

Carter St/Rose quartz: we have developed a plan for a positive net result.

Food bank – Joe Tobin Issue: timely contract receipt

Community Dev. Block Grant (CDBG): \$175k was finished in August. being spent– this contract goes through to 9/19 – but should be spent before that.

New CDBG (\$391k over 2 yrs) has been approved, will be available by December at the latest.

Emergency Food Assist. Program (EFAP): \$45k only pays for staff to handle free Fed commodities – billed quarterly.

State EFAP: New \$43k only pays for CA food now available, 40% must be spent by Dec.

Sonora Area Foundation: Bridging the Gap \$50k spent in September used to plug CDBG timing gap.

Pantries: pays for food on a per pound basis

Donations: Holiday and soliciting letters are important.

ATCAA Fiscal Officer Narrative – September 2019 p2**Energy – Joe Bors Issue:**

Low Income Heat & Energy Assist Program (LIHEAP): weatherization & PGE assist – consistent funding, cash advance solved cash flow issue
 DOE: small, consistent – also received a cash advance for this program.
 TCRCD DWR water conservation: all water made up half of the line of credit balance
 Prop 84 water: slow paying
 DWR water direct: slow paying

Amador youth – Pat Porto Issue:

Child Abuse Treatment (CHAT): spending within budget (\$183K) – Federal fiscal year, quarterly billings – new 15 month application filed
 IDA: \$15k for foster youth

Tuolumne youth – Bob White Issue:

Friday Night Live (FNL): spending within budget
 Mentoring: spending within budget
 Suicide prevention: spending within budget, new contract in transit
 Opioid safety: underspent – new contract got a no-cost extension to fiscal year end
 Youth Empowerment Solutions (YES) partnership: fundraising success

Community – various Issue:

Central Sierra connect (Patrick): 3 yr grant, \$73k/yr for broadband – 2018 underspent
 Lifeline (Tonya): consistent, now running a surplus inception to date 8/31/19
 Community Services Block Grant (CSBG): \$35k in discretionary funds fully spent by 5/19; new discretionary contract at \$30k being spent 6/1/19-5/31/20 for Board/ED training, grant writing and IT needs.
 CSBG Earned Income Tax Credit (EITC): Fully spent \$110k for yr end 6/19; new application made for same contract beginning 10/19.

Early Child Services – Nancy Miner Issue:

Head Start/Early Head Start: underspent due to staff shortage; enacting transition plan
 Latino outreach: spending within budget
 CACFP: supplements Head Start food costs, normally needs about \$1,000 monthly from operations
 Cal State Preschool Program (CSPP): higher funding/child, barely underspent for 2018-19
 Family Learning Center (FLC): underspent budget due to lower referrals

Administration – Joe Bors Issue:

2018-19 year surplus at +9k through 6/19. Higher indirect rate provided higher offset revenue; payroll savings from deferred raises, admin staff working in CSBG contracts.

Health insurance/special projects Issue:

Health fund even due to lower participation: 2018-19 year lost \$3,669 through 6/19; spending on yellow bldg. needed - \$90k available

Management Bulletin 19-06

Early Learning and Care Division

Subject: Collection of Data for the Subsidized Provider Report

Number: 19-06

Date: August 2019

Expires: Until Rescinded

Authority: Senate Bill 75, Chapter 51, Statutes of 2019; sections 8430-32 of the *California Education Code*, Section 6253.21 of the *Government Code*, and Section 1596.86 of the *California Health and Safety Code*

Attention: Executive Directors and Program Directors of Contractors administering programs with individuals who operate licensed family child care homes or license-exempt individual providers

Purpose

The purpose of this Management Bulletin (MB) is two-fold:

1. To inform contractors of the new law which requires contracting partner agencies to collect and provide to the California Department of Education (CDE) specific business and personal information pertaining to individuals who operate family child care homes and license-exempt individual providers to support future collective bargaining legislation.
2. To provide guidance, resources, and technical assistance to contractors on the timelines and processes for the collection and submission of the required data.

Background

Senate Bill (SB) 75, as adopted in the omnibus trailer bill of the Budget Act of 2019, added *California Education Code (EC)* Section 8432, effective July 1, 2019, which requires CDE to collect and submit to verified provider organizations, as defined in SB 75, specific business and/or personal information of family child care providers, which are defined in *EC* Section 8431(a)(1) as follows:

- "Family childcare provider" or "provider" means a childcare provider who participates in a state-funded early care and education program as specified in subdivision (c) and is either of the following:
 - ◆ An individual who operates a family daycare home, as defined in Section 1596.78 of the *Health and Safety Code*, and who is licensed pursuant to the requirement in Section 1596.80 of the *Health and Safety Code*.
 - ◆ An individual who provides early care and education in their own home or in the home of the child receiving care and is exempt from licensing requirements pursuant to Section 1596.792 of the *Health and Safety Code*.

and Safety Code.

Hereafter, these will be collectively referred to as "providers."

Policy

Contracting agencies must collect and submit to the CDE the specific information detailed in this MB, most of which should already be in the possession of the agency, for all providers that have received payment from the agency between April 1, 2019 and June 30, 2019. In addition, contracting agencies have a continuing monthly obligation to collect and submit the same information for all providers who subsequently receive payment thereafter from the agency and to update any changes in provider information and provide the updated information to the CDE in the form of a Subsidized Provider Report (SPR).

In addition, as required by the Information Practices Act (*Civil Code* section 1798.17), contracting agencies must provide notice of this collection to all providers whose information is being collected and submitted to the CDE for these purposes.

Directive

Notice To Providers

Prior to collecting and submitting the data elements, referenced below, contracting agencies must send a notice to all impacted providers about the fact that this information is being collected and submitted to the CDE and redisclosed to provider organizations as required by SB 75. Contracting agencies should use the Notice to Providers, with the attached relevant code sections. The CDE has drafted these documents which are ready to be sent to providers. The Notice to Providers and Attachment A are available on the Subsidized Provider Report web page at <https://www.cde.ca.gov/sp/cd/ci/spreport.asp>. While the Notice to Providers must be sent out as soon as possible in order to make current providers aware of the collection and use of their information in compliance with the law, the notice to new providers can simply be included with an agency's initial paperwork.

Data To Be Collected

The following information is the data that is required to be collected pursuant to SB 75*:

- Provider's name
- Provider's home address*

Data Reporting Instructions

In order to transfer provider data to provider organizations within SB 75 required timeframes, the CDE will require agencies to submit data through the Child Development Management Information System (CDMIS). For further information and detailed technical instructions on how to submit provider information through CDMIS, please refer to the SPR Technical Manual as described above.

The SPR Upload function will be available in the CDMIS beginning Monday, August 19, 2019. The table below provides information regarding SPR reporting periods. Further information regarding report due dates is available on the SPR Submission Schedule web page available on the Subsidized Provider Report web page at <https://www.cde.ca.gov/sp/cd/ci/spreport.asp>.

Reporting Period Start	Report Due	Report Contains
August 19, 2019	August 30, 2019	Providers who were paid between April 1, 2019, and June 30, 2019
September 3, 2019	September 20, 2019	Providers who were paid between July 1, 2019, and August 31, 2019
October 1, 2019, and first day of each month following	October 20, 2019, and twentieth day of each month following	Providers who were paid during September 2019, and providers paid through previous month thereafter

Contractors that also hold a California Work Opportunity and Responsibility to Kids (CalWORKs) Stage 1 contract, will be receiving separate instructions from the county welfare department or the California Department of Social Services regarding uploading CalWORKs Stage 1 provider data.

Technical Assistance To Be Provided

Technical instructions for submitting the SPR are available in the SPR Technical Manual on the Subsidized Provider Report web page at <https://www.cde.ca.gov/sp/cd/ci/spreport.asp>. The CDE will host a live webinar for submitting the monthly SPR through the CDMIS on Tuesday, August 20, 2019 from 10:00 a.m. to 12:00 p.m. The CDE will record this webinar and make it available on the Subsidized Provider Report web page.

Agencies may contact CDMIS Support by phone at 916-445-1907 or by email at CDMIS@cde.ca.gov for further reporting technical assistance.

Subject: Notice of Proposed Rulemaking (NPRM) on Designation Renewal System (DRS) Changes – Public Comment Period

Information:

The Office of Head Start (OHS) has published a Notice of Proposed Rulemaking (NPRM) in the Federal Register, [Head Start Designation Renewal System Changes](#). This publication opens a 45-day public comment period. OHS is soliciting feedback on these proposed changes and will use comments submitted by the public in making decisions for the final rule.

This NPRM proposes improvements for two of the seven conditions of the DRS: the condition related to the Classroom Assessment Scoring System: Pre-K (CLASS®) and the fiscal condition related to audit findings. The proposed revisions will ensure OHS identifies those communities where competition is the most warranted and more effectively holds grantees accountable, while making the DRS more transparent.

For the CLASS® condition, the NPRM proposes to remove the lowest 10 percent criterion and set more rigorous minimum thresholds across all three domains grantees must meet in order to avoid designation for competition. Specifically, the proposed rule would increase the minimum threshold for Emotional Support from 4 to 5, Classroom Organization from 3 to 5, and Instructional Support from 2 to 2.5.

For the fiscal condition, the NPRM proposes to add a second criterion that would consider Head Start findings from annual audits to determine whether fiscal management challenges exist. This specific use of Head Start audit findings provides OHS an earlier predictor that is more comprehensive to detect fiscal management and oversight risks.

The current DRS standards will remain in effect until a final rule is issued.

To submit comments, follow the "Submit a comment" instructions in the [Federal Register](#). To ensure OHS can effectively respond to your comments, clearly identify the issues on which you are commenting. Please be as specific as possible in your comments. Provide the page number, identify the column, and cite the paragraph from the Federal Register document (e.g., page 10999, second column, §1305.6(a)(1)(i)). If you wish to comment anonymously, please enter "N/A" in the required fields.

If electronic submission is not possible, you may send comments via the U.S. Postal Service to the address indicated in the Federal Register. In accordance with the instructions in the Federal Register, OHS encourages all interested stakeholders to submit comments in response to the DRS changes by the 45 days deadline published in the NPRM.

Thank you for your work on behalf of children and families. We look forward to receiving your comments.
