ATCAA EARLY HEAD START AND HEAD START

TO:

ATCAA BOARD AND POLICY COUNCIL

FROM:

MARCIA WILLIAMS

SUBJECT:

REQUEST FOR APPROVAL OF CARRY OVER FOR 2019

DATE:

March 18, 2019

We are requesting your approval to apply to the Office of Head Start to carryover \$86,661 in unspent federal funds and program income from fiscal year 2018 to fiscal year 2019. \$35,023 of this amount is from unspent Early Head Start funds and \$51,638 is from unspent Head Start and Head Start program income funds.

These one time funds will help us improve our facilities. We will do some much needed classroom and playground updates and also use some funds for staff training. Attached are spread sheets showing where we were underspent and where we plan to use the money for next year.

marcia Williams

Thank you for approving this request.

ATCAA Fiscal Officer Narrative – February 2019 p1

ATCAA is in the eighth month of its fiscal year – programs should have 33% of their budgets remaining.

Cash flow issues are now based on higher spending on slower paying housing contracts and the usual water contracts. Our \$400,000 Line of Credit was renewed through January 2020.

California Homeless Emergency Aid Program (HEAP) funding of \$1.2 million is in process of being spent. The new State California Emergency Solutions and Housing Program (CESH) contract (\$524k over 5 years) has not yet been received.

The Targeted Case Management (TCM) audit appeals may be turning our way – we are sending a letter to confirm a settlement that will lower our liability by about 90% for the first year. Remaining years may follow the same pattern.

Housing - Denise Cloward

Issue: homeless prevention funds low

- Community Dev. Block Grant (CDBG): Tuolumne only \$50k in shelter funds being spent; Tuolumne County applying for \$75k in Housing Stabilization funds.
- Emergency Shelter Grants (ESG): Shelter contract spending normally, homeless prevention and rapid rehousing funds spent; new contracts have been approved, waiting for permissions to expense.
- CalWorks Amador started in Sept with spending catching up. Calaveras client funds are spent accepting no new clients, Tuolumne spending on track.
- Continuum of Care: ATCAA still administering, with more formalized governance going forward. CESH and HEAP funds will require new hires in Amador and Tuolumne.
- Varley Place: 2 vacant units on 3rd floor, VASH funds are being received timely.
- CACFP: supplements shelter food costs normally needs about \$1,000 monthly from operations

Carter St/Rose quartz: vacancies need filling

Food bank – Deni Avery

Issue: new funding available

- Community Dev. Block Grant (CDBG): \$175k being spent; Tuolumne County applying for \$195k/year, with contract due July.
- Emergency Food Assist. Program (EFAP): \$45k only pays for staff to handle free Fed commodities
- State EFAP: \$43k in coming year only pays for California food, being spent evenly Sonora Area Foundation: Bridging the Gap \$50k helping plug CDBG timing gap.

Pantries: pays for food on a per pound basis

ATCAA Fiscal Officer Narrative - February 2019 p2

Energy – Joe Bors Issue: water projects cash flow

Low Income Heat & Energy Assist Program (LIHEAP): weatherization & PGE assist – consistent funding, slower payments are affecting cash flow

DOE: small, consistent

TCRCD DWR water conservation: all water makes up half of the line of credit balance

Prop 84 water: slow paying DWR water direct: slow paying

Amador youth – Pat Porto Issue:

Child Abuse Treatment (CHAT): spending within budget

IDA: \$15k for foster youth

Tuolumne youth – Bob White Issue:

Friday Night Live (FNL): spending within budget

Mentoring: spending within budget

Suicide prevention: spending within budget

Opioid safety: underspent – new contract got a no-cost extension to fiscal year end

Youth Empowerment Solutions (YES) partnership: fundraising success

Community – various Issue:

Central Sierra connect: 3 year grant, \$73k/year for broadband – underspent in 2018 Lifeline: consistent, now running a surplus inception to date 2/28/19

Community Services Block Grant (CSBG): \$35k in discretionary funds runs through May 2019; application for new contract at same level approved

CSBG Earned Income Tax Credit (EITC): spending well on \$110,000 – contract ends in June

Early Child Services – Marcia Williams Issue:

Head Start/Early Head Start: spending within budget, Feb monitoring went well Latino outreach: spending within budget

CACFP: supplements Head Start food costs, normally needs about \$1,000 monthly from operations

Cal State Preschool Program (CSPP): higher funding/child, projections looks to spend contract completely

Family Learning Center (FLC): spending within budget

Administration – Raj Rambob Issue:

2018-19 year surplus at +\$9k through 2/19. Increased indirect rate provide higher offset revenue, uncertain savings with change in executive director.

Health insurance/special projects Issue: increasing health expenses

Health fund lower due to higher costs: 2018-19 year shortfall at -\$4k through 2/19; spending on yellow bldg. needed - \$90k available
